Approval to mine or conduct exploration is automatically withdrawn if annual permit fees are not paid by the due date. Failure to pay fees may also result in withdrawal of the Notice of Intention.

\*If reclamation is complete, please submit form MR-SITE to request either a full or partial release. The permit fee is not required if the entire site has been regraded and seeded; the Division will verify the reclamation work.

 Forms and other permit-related information are available on the Web at
